Merritt Point Wealth Advisors Growth and Development Continues!

OLD GREENWICH, CT – Merritt Point Wealth Advisors is excited to announce the launch of their new website [www.merrittpointwealthadvisors.com](http://www.merrittpointwealthadvisors.com) as the new landing place for clients and advisors alike to gather the latest market insights, explore planning tools, follow industry trends and stay up to date on all of the resources available through Merritt Point Wealth Advisors.

When Merritt Point was founded in 2019, leadership committed to building a practice that exceeds what today's investors and advisors expect – and the industry took notice. In five years time, they've recruited several top-talent from other firms, increased the team from 5 to nearly 30 employees, and expanded their footprint to three locations including Greenwich, CT Westport, CT and Manhattan NY.

“By centering every choice we've made around the client and advisor experience, we have been fortunate to add many quality advisors to our team while simultaneously evolving our in-house resources available to clients,” Ross Bauer, Founder and COO, reflected. “We've come a long way since starting out, are excited our new website will reflect that.”

Merritt Point's new website ([www.merrittpointwealthadvisors.com](http://www.merrittpointwealthadvisors.com)) provides a streamlined look into their comprehensive investment process for clients as well as an overview of the benefits that trailblazing advisors can grasp by joining. Moreover, it outlines their '22nd Century' approach to wealth management, fusing cutting-edge fintech with experienced professionals to purposefully transform the lives of those they serve.

“Ushering our vision for Merritt Point into reality has been a rewarding experience and we are all excited to keep building on that success,” added Ross. “Our deepest gratitude goes to our clients, to our community, and to our team for helping bring us here.”
